Adopt Resolution of the Fort Bragg City Council Approving Professional Services Agreement with Environmental Science Associates for Sea Level Rise, Tsunami Hazards, and Erosion Resiliency Strategy for LCP 22-07 Grant Project, and Authorizing the City Manager to Execute Contract (Amount Not To Exceed \$190,200; Account 337-5080-0630); CEQA Exemption 15061(b)(3)

On June 28, 2024 City Council approved Resolution No. 4811-2024 to enter into contract with Environmental Science Associates for a total amount not to exceed \$90,200. This was an administrative error. The contract compensation should have been for an amount not to exceed \$190,200. The attached Resolution reflects the correct amount.
