Adopt City Council Resolution Granting the Cities of Point Arena and Crescent City Permission to Utilize Construction Plans Designed and Engineered by SHN Consulting for Fort Bragg's Pre-Approved Accessory Dwelling Unit (ADU) Program

The City of Fort Bragg is actively working with Jason Island, Senior Engineer with SHN Consulting Engineers and Geologists on architectural design and engineering for Fort Bragg's Pre-Approved Accessory Dwelling Unit (ADU) Program: 1) 720 SF one-bedroom unit; and 2) 960 SF two-bedroom unit.

The cities of Point Arena and Crescent City inquired about the possibility of offering Fort Bragg's new ADU plans to residents of their communities. On February 23, 2021, the matter was brought forward to the Community Development Committee and staff was directed to draft a resolution for Council consideration granting permission to Point Arena and Crescent City to utilize the City plans.
