Adopt City Council Resolution Approving the Temporary Water Sharing Agreement Between the City of Fort Bragg and the Fort Bragg Unified School District

The Temporary Water Sharing Agreement, if approved, allows the City to extract water from the District's Well on a temporary basis to supplement the City's water supply. The water would be treated on or near site and injected into the City's water system to supplement supply during the water emergency. Unless extended, the agreement would expire on October 1, 2021.
