Readopt Master Traffic Resolution

The City Council considers changes to the Master Traffic Resolution once or twice each year, as necessary. The last changes were made on November 23, 2015. Since that time, the Traffic Committee has considered 12 Traffic Modification Requests filed with the City Clerk's Office by members of the community. Many of the modifications granted by the Traffic Committee do not alter the Master Traffic Resolution (such changes to Section G, No Parking Zones). Two changes that are included in this version of the Master Traffic Resolution are:

1. Changes to Section U - BLUE CURB HANDICAP ZONE APPROVALS:
 - A. Add 224 East Oak Street
 - B. Remove 411 South Whipple Street
