### Readopt Master Traffic Resolution

The City Council considers changes to the Master Traffic Resolution once or twice each year, as necessary. The last changes were made on July 24, 2017. Since that time, the Traffic Committee has considered thirteen (13) Traffic Modification Requests filed with the City Clerk's Office by members of the community. Many of the modifications granted by the Traffic Committee do not alter the Master Traffic Resolution (such as changes to Section G, No Parking Zones). Three (3) changes are included in this version of the Master Traffic Resolution:

1. Blue Curb at Cypress House located at 155 E Cypress St.
2. New Section O. Timed Parking for Electric Vehicle Charging Stations
3. Restricted Parking on Private Property at Sew-n-Sew (890 N Franklin St.)
