Adopt City Council Resolution Approving an Application for Funding and Execution of Agreement and Any Amendments Thereto from the United States Department of Agriculture's Community Facility Grant Program

The United States Department of Agriculture (USDA) administers a grant program that provides funding through the Community Facility Grant Program to develop essential community facilities that provide necessary services to the local community. One of the top priorities identified in the FY 2018/19 budget for the Public Works Department is to replace one of the police vehicles, which is an eligible project under the USDA Community Facilities Grant Program. It is required that the Grantee (City of Fort Bragg) match 45% of the project cost of which \$25,850 has been identified and approved in the budget for FY 2018/19. If awarded the police vehicle will be added to the fleet and be used by the Fort Bragg Police Department. It is anticipated that if awarded, the police vehicle would be purchased this fiscal year.
