Adopt Municipal Improvement District Resolution Approving a Professional Services Agreement with HDR, Inc. for Design Services for Wastewater Treatment Plant Upgrade Project and Authorizing District Manager to Execute Same (Amount Not to Exceed \$699,993; Account No. 716-7001-0310)

On January 29, 2015, staff issued a Request for Proposals (RFP) for professional services to provide the final design and contract documents for the construction of the Wastewater Treatment Plant Upgrade Project. Five proposals were received on the due date of February 27, 2015. HDR, Inc., of Folsom, California was selected as the most qualified firm. The proposed professional services agreement was reviewed by the Public Works and Facilities Committee at its meeting of April 23, 2015. Following further refinements, the Committee recommended that the District Board authorize the District Manager to execute the agreement. The District Board considered the matter at its meeting of May 26, 2015, but continued action to its next meeting in order for the professional services agreement to be included as an attachment to the resolution. The agreement is now included and staff recommends adoption of the resolution approving the contract and authorizing the District Manager to execute the agreement.
