Adopt City Council Resolution Authorizing Submittal of a Grant Application to the California Coastal Commission for the Completion of the City's Certified Local Coastal Program Amendment to Rezone the Georgia-Pacific Mill Site

The City has been working to complete a comprehensive community-based planning process to rezone the Mill Site and develop related policies and regulations as part of a comprehensive Local Coastal Program (LCP) Amendment. To fund this effort the City initially obtained a \$100,000 grant from the California Coastal Commission, a \$42,000 Community Development Block Grant and a \$48,000 Mendocino Council of Governments (MCOG) Grant. Over the past two years, most of these funds have been expended. The supplemental grant application will cover the costs associated with completing the LCP Amendment.

Note: Attachment 1 to the Resolution is included as Attachment 2 to this Consent Calendar item.
